

National Marine and Freshwater Education Wananga - Conference
Whakapaumahara Marae, Whananaki North Rd, Whananaki, Northland
Wednesday 6th – Saturday 9th October, 2010

Invitation to the Community – Hone Taumaunu Presentation
7pm Wednesday the 6th October 2010

This years theme is Mountains to Sea – Collaboration for conservation of our marine and freshwater environments in schools and communities, with the purpose being an inspirational professional development and networking opportunity for all those involved or interested in freshwater and marine conservation.

This invite is extended to the Whananaki and wider community to come along and listen to one of the key note speakers presentation - Hone Taumaunu – Ngati Konohi Kaumatua

Hone will explain his involvement in the establishment of the Te Tapuwae O Rongokako Marine Reserve and the successful collaboration between Ngati Konohi and Department of Conservation. He will explain the values of the reserve from Ngati Konohi perspective. Te Tapuwae has some unique regulations such as a 25 year generational review. Hone will explain the concept of the moana suite of marine protection and the progress to establish the Mataitai around their marine reserve.

Questions and discussion

Hone's presentation will start @ 7pm on Wednesday the 6th October.

Entry by koha, attendance for any other part of conference requires official registration.

For all enquires, registration and full programme information contact Samara Nicholas
